SUMMARY

Experienced Software Engineer with 3.9 years of expertise in full-stack development, specializing in JavaScript, React, MongoDB, Express.js and Python. Skilled in designing, developing, and deploying scalable web applications, with a focus on performance optimization and user experience. Strong problem-solving abilities and a collaborative team player, adept at working in agile environments to deliver high-quality solutions.

TECHNICAL SKILLS: React.js, Node.js, Express.js, JavaScript, Python, C/C++, Git, Mongoose, Postman, Netlify, Vercel, Render, Linux, MongoDB, SQL, Figma etc.

PROFESSIONAL EXPERIENCE

Nomura

Senior Software Engineer

Mumbai, Maharashtra / India

October 2025 - Present

Decipher

- Worked on an **AI application** that uses **Faster Whisper** model and helps users to create transcription from an audio file.
- Enhanced and Designed the UI/UX of the dashboard page using **React JS/MUI** with enhanced, optimized and add-on functionalities.
- Migrated the application to use **Solace** that was using makeshift queuing mechanism for a production environment, that helped to increase application robustness by **50%**.
- Tech Stack used :- **React JS, MUI, Figma, Python, Rest API, Solace, Linux.**

Bank Of America

Software Engineer 1A

Mumbai, Maharashtra / India

August 2024 – September 2025

Accomplishments

- Built an application that helps user to create, send/unsend, monitor and manage User Accomplishment/ Highlight tickets and Reports which was an end-to-end revamp of an existing application.
- Led the team of five people on this project, solved the issues and reviewed their part of the project throughout the development lifecycle.
- Enhanced and Redesigned the UI/UX of the application from the initial version, migrated the application from **Vanilla JS/Webex UI** to **React JS/MUI** with enhanced, optimized and add-on functionalities.
- Tech Stack used :- **React JS, MUI, Figma, Python, Rest API, Mongo, MANRS.**

Exception Manager 2.0

- Built a system to create, raise and monitor ARM exceptions/requests that work on an event-driven model (AMPS).
- Led the team of five people on this project, solved the issues and reviewed their part of the project throughout the development lifecycle.
- Enhanced the UI/UX of the application from the initial version, migrated the application from **Vanilla JS/Webex UI** to **React JS/MUI** with enhanced, optimized and add-on functionalities.
- Tech Stack used :- **React JS, MUI, Figma, Python, WebSocket, My SQL Server, AMPS, MANRS.**

Bank Of America

Software Engineer 1B

Mumbai, Maharashtra / India

April 2022 – August 2024

Regression 2.0 Dashboard

- Built a dashboard to easily view the results of various regression testing systems.
- This Project allows the users to see results from A/B comparison (A-Prod; B-UAT/Patch) which eventually helps to identify issues.
- Boosted the performance reducing the Api calls by **50%** and Reduced the load time by **47 sec.**
- Tech Stack used :- **React JS, Webex UI, Bootstrap, Python, WebSocket, SandraDB.**

Esmart Report

- Built a tool to easily view the CRQ details of various regression testing systems.
- This tool is being used by a team of 25-30 members.
- This project provides additional layer/QA checks prior to code release which helps to prevent change related issues.
- Tech Stack used :- **React JS, Webex UI, Python, Rest API, My SQL Server.**

LEADERSHIP EXPERIENCE

Bank Of America

Mumbai, Maharashtra /India

Project Lead

April 2022 – August 2024

- Led the team of five people for the Accomplishments, Exception Manager 2.0 project.
- Addressed issues and reviewed their part of the project throughout the development lifecycle.

EDUCATION

SRM Institute of Science and Technology

Ghaziabad, Delhi NCR/ India

B.Tech(CSE) & 9.6 CGPA

May 2022

4 star coder (Rank 1801) at Codechef.

LANGUAGES: Hindi (native), English (Fluent)

OTHER EDUCATION: Javascript (IBM Certification), Python (IBM Certification), *AWS Fundamentals Specialization, Web Development Boot camp (MEN stack)*

INTERESTS: Gaming, Cooking, Travelling, Sketching.
